Proof of English Proficiency
for application to Master Programs

_____

To prove English proficiency at least 12 credits of your undergraduate program need to be taught and examined in English language.
I completed the following subject courses (e.g. engineering mechanics, mathematics etc.) in English language:

Course/ Module	ECTS
ECTS total	

☐   The transcript of records states clearly that the above mentioned courses and the credits achieved for each module were taught/examined in English language (an English module title is not sufficient)

        <u>or</u>

☐   I include an **official confirmation** (original or notarized, stamped and signed) of my university/ faculty stating that the courses mentioned above were passed in English language.*

_____   _____
Place, Date   Signature

*Please tick the option „Degree certificate from an English-speaking educational establishment/Zeugnis oder Studienabschluss einer englischsprachigen Bildungseinrichtung" in the application process.
